St Mary's CE Academy, Stofold Parent Questionnaire 2016-2017 Comments

Your comments: What are we doing well?

- My daughter loves coming to school and has made great progress. All staff are very supportive and obviously care about the children. It is a lovely fun place to be.
- I think the school is a caring school and is like coming into a big family every day. It is well thought of in the local community. I like seeing the improvement to the play facilities. I think the wide range of clubs after school and during the holidays is excellent.
- All staff are friendly and excellent at keeping the children's education at high standards.
- Transitions have been greatly improved over recent years. My child has been taught well in appropriate groups according to his ability.
- The school provides a safe and fun environment for my child. The teachers are supportive and approachable.
- I'm happy if my children are happy. They are happy 99.9% of the time.
- My husband and I have been so pleased with our daughter's progress since she started St. Mary's in September. She settled quickly and has so far had a very happy and positive experience.
- Everything! Well done St Mary's!

Your child's comments: What do you like or enjoy most at school?

- All of it!
- Playing with my friends during the breaks and all the fun work we do in class.
- I really enjoy football and golden time. My favourite lesson is Big Write.
- My child enjoys big write and literacy and school concerts.
- Food. Playtime. Getting star awards.
- I like listening to stories and playing with my friends. I like the trim trail and the field and learning numbers.

Your comments: What could we do better?

- I think the general tidiness of the corridors could be improved.
- Encourage family's to walk, cycle and scoot to school with a cycle shelter/store.
- Please could a gate/fence area be put up along the front of the school, by the zig zags. This will provide extra safety for children coming in and out and prevent lazy adults from dropping off in a dangerous place.
- More sports - run Mile a day should be introduced as standard each day at the start of each day to get the kids focused and ready for the day.
- Remind me in a text message or a separate email about non-uniform days rather than just in the newsletter.
- Homework is age appropriate but sometimes I feel there could be more differentiation for the more able. Some parts are too easy for my child.

Your child's comments: Is there anything that you would like to change?

- Would like to do more art and more history.
- Times tables would be easier.
- More shady places to play in because it is too hot.
- More playtime please!!!!
- Homework.
