

## St Mary's CE Academy, Stotfold Parent Questionnaire 2017-2018 Sample Comments

### **Your comments: What are we doing well?**

- St Mary's is a lovely school with a great ethos where the children thrive as part of a community.
- Staff are very approachable and will always do their best to help. They are very dedicated to their roles.
- The children are supported and the whole child is cared for not just their academic performance.
- I am very happy with development of my daughter. Keep doing what you're doing.
- Fantastic teachers and really helpful office staff.
- You all work very hard to make sure all the children have the best experience as well as being challenged to ensure they do their best.

### **Your child's comments: What do you like or enjoy most at school?**

- The fun lessons, the clubs and all the visitors to the school.
- Maths, working on the allotment, choir and the school is friendly too.
- School dinners!
- I like playing with my friends. I like going on the computers.
- Times table practice and cookies or ice cream at school lunch for pudding.

### **Your comments: What could we do better?**

- Assemblies are always on a Wednesday which makes it hard for working parents. It would be good to vary times to the end of the week.
- I'm not keen on the negative element of the class dojo system, it doesn't provide any explanation of what has happened.
- A bit more notice for non-uniform days or days when children are required to dress up.
- Have children dropped off in playground in the mornings.
- Stagger playtimes, so younger children feel safer on the playground, especially if football is being played.
- The results from the children's spelling test should be sent home each week.

### **Your child's comments: Is there anything that you would like to change?**

- Have a separate climbing frame on the field for KS2 and KS1/Reception.
- We should only do Maths on a Monday. I would like to do more Topic.
- No nothing, I even like the assembly.
- More shady areas, a bin on the school field please.
- Sometimes I'd like to change my school dinner.
